TASTING NOTE

Medium ruby color. Intense ripe red fruit aromas: blackberries, plums, hints of flowers and licorice on the nose. Juicy on the palate, with a velvety entrance that makes way to sweet spices and vanilla notes. Ripe red fruits follow, bringing cherries, red currant, plum and raspberries to taste. Ripe smooth tannins and a medium body.

PAIRING

This rich red wine will pair beautifully with a wide arrange of plates. From white meats to rice plates and baked veggies. We suggest enjoying it with soft cheese, turkey, light curries, and roasted vegetables.

CERTIFICATIONS
